Christmas Fruit Tree

This grape Christmas tree is a great idea to bring to classroom Holiday parties. Kids will have fun eating grapes right off the tree!

Ingredients:

Red and Green Grapes
Foam Cone for Crafting
Toothpicks

Get creative with your trees! Try adding fruits like kiwi, star fruit and banana slices.

Directions:

1. Stick tooth picks into foam cone starting from the bottom, working your way around the cone.
2. Push a grape into each tooth pick and start a new row of toothpicks.
3. Push a red grape into a toothpick every few grapes to add a little extra colour.

Suggested Tasks for Children:

- Put toothpicks into cone and add grapes
- Help clean up
